Live From the Red Carpet!

A night of glimmer and champagne. A night of music and fun. Indeed, Hollywood came to Sunridge Village. The celebration of the Academy Awards started early. Our stars came out in their finest attire and ready to walk the red carpet.

Residents enjoyed the magical voice of Michael Lyons while sipping champagne. The star lit room was filled with the glam of the event. As the academy says, "The Oscar winner is.... Sunridge Village for the best residents!"

Cold Hands, Warm Hearts Project!

The Sunridge Village Women's Circle set out to help local Omaha children stay warm this winter by providing hats and gloves. Representatives from the group delivered 200 hat and glove sets to children at three different elementary schools. Kudos ladies!
